[SE-532] eego system service offer - package 2	1.00	7,000.00	BTW export	7,000.00 €
Service and update for any system up to 64 channels with new PC or tablet:	Units		binnen EU (producten)	

Each eego™ amplifier comes with a two-year warranty. All customers of ANT Neuro that own an eego system that is out of warranty are eligible for this service offer. By choosing for the service package, you are assured that your daily schedules, research and EEG recordings do not get interrupted by surprise servicing expenses. A service package always applies to a single amplifier, even in the case of a high-density cascading system.

The following is included as part of this service package:

- Full amplifier inspection and maintenance check*
- Replacement of amplifier battery
- (Optional) Inspection of trigger adapters (DB25, BNC and cascading trigger adapter)
- Provision of a new USB B to A cable for amplifier connection
- Extended 1 year warranty on the eego™ amplifier (upon passing amplifier inspection)
- eego™ software update
- A remote refresher training of 2 hours with our Customer Success team on the eego™ system and software
- New laptop or tablet with eego software pre-installed
