Am I correct in thinking this payment should be made to the University of Padova with the address shown in the documentation?	The Italian Revenue Agency/Agenzia delle Entrate states that companies that are not resident in Italy, who want to participate in a tender and are liable to pay the tax, in order to overcome the difficulties arising from the absence of a tax code issued in Italy, may pay (derogating from the ordinary payment provisions), by bank transfer in favour of the State budget using IBAN code IT07Y0100003245348008120501 (BIC BITAITRRENT) and specifying in the reason for payment and tax code (in the absence thereof, you must indicate the name of the company) and the details of the deed to which the tax payment refers (imposta di bollo per... name of the procedure and CIG). Participants must attach the receipt of the bank transfer.
