A: Reasons related to criminal convictions

Participation in a criminal organisation

Participation in a criminal organisation, as defined in Article 2 of Council Framework Decision 2008/841/JHA of 24 October 2008 on the fight against organised crime

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for crimes committed or attempted referred to in Article 416, 416-bis of the Penal Code or for crimes committed using the conditions set out in the Article 416-bis or in order to facilitate the activity of the associations provided for by the same article, as well as for crimes, committed or attempted, provided for by Article 74 of Decree of the President of the Republic No. 309/1990, by Article 291-quater of the Decree of the President of the Republic No. 43/1973 and Article 260 of Legislative Decree No. 152/2006, relating to participation in a criminal organisation as defined in Article 2 of Council Framework Decision 2008/841/JHA? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 has ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

Corruption

Corruption, as defined in Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, OJ C 195, 25.6.1997, and in Article 2(1) of Council Framework Decision 2003/568/JHA of 22 July 2003 on combating corruption in the private sector (OJ L 192, 31.7.2003). This exclusion ground also includes corruption as defined in the national law of the contracting authority (contracting entity) or the economic operator

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for crimes committed or attempted referred to in Articles 317, 318, 319, 319-ter, 319-quater, 320, 321, 322, 322-bis, 346-bis, 353, 353-bis, 354, 355 e 356 of the Penal Code or in Article 2635 of the Civil Code? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 is ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

Fraud

Fraud within the meaning of Article 1 of the Convention on the protection of the European Communities' financial interests (OJ C 316, 27.11.1995)

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for fraud crime as defined in Article 1 of the Convention on the protection of the European Communities' financial interests? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided

for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 is ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

Terrorist offences or offences linked to terrorist activities

Terrorist offences or offences linked to terrorist activities, as defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for crimes, committed or attempted, in connection with terrorism, even internationally, or subversion of constitutional order, terrorist offences or offences linked to terrorist activities? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 is ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

Money laundering or terrorist financing

Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgement for money laundering or terrorist financing, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 1 of Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing (OJ L 309, 25.11.2005, p. 15)

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for crimes as defined in Article 648-bis, 648-ter e 648-ter.1 of the Penal Code, money laundering or terrorist financing, as defined in Article 1 of Legislative Decree No. 109/2007? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 is ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

Child labour and other forms of trafficking in human beings

Money laundering or terrorist financing, as defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on preventing and combating trafficking in human beings and protecting its victims, and replacing Council Framework Decision 2002/629/JHA (OJ L 101, 15.4.2011)

Has any person of the economic operator listed in Article 80, paragraph 3, of the Legislative Decree no. 36/2023 been convicted by a sentence that has the force of res judicata, or by a criminal order against which no appeal lies, or by a sentence of application of punishment upon request pursuant to Article 444 of the Code of Criminal Procedure, for crimes of exploitation of child labor and other forms of trafficking in human beings defined by the Legislative Decree n. 24/2014? (The economic operator does not have to declare the conviction if: the exclusion period set out directly in the judgment or in the decree or provided for by Article 80, paragraph 10 and 10-bis of the Legislative Decree No. 36/2023 is ended; the offence was decriminalised; the rehabilitation has been deemed to have occurred; the permanent accessory penalty

has been deemed extinct provided for by Articolo 179, paragraph 7 of the Penal Code; the conviction was declared spent; the conviction has been overturned).

B: Reasons related to the payment of taxes or social security contributions

Payment of taxes

Has the economic operator breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment?

Has the economic operator breached the obligations relating to the payment of taxes and duties, according to the Italian legislation or the legislation of the State of establishment?

Si

EUR

Additional information

C: Reasons related to insolvency, conflicts of interest or professional misconduct

obligations in the fields of environmental law

Has the economic operator, to its knowledge, breached its obligations in the field of environmental law? As referred to for the purposes of this procurement in national law, in the relevant notice or the procurement documents or in Article 18(2) of Directive 2004/18/EU

Has the economic operator breached the obligations relating to environmental law as defined in national and European law, collective agreements or international provisions listed in Annex X of the Legislative

Decree no. 50/2016?. (The economic operator does not have to declare the breached if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 has ended).

Si

obligations in the fields of social law

Has the economic operator, to its knowledge, breached its obligations in the field of social law? As referred to for the purposes of this procurement in national law, in the relevant notice or the procurement documents or in Article 18(2) of Directive 2004/18/EU

Has the economic operator breached the obligations relating to social law as defined in national and European law, collective agreements or international provisions listed in Annex X of the Legislative Decree no. 50/2016? The economic operator does not have to declare the breached if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 has ended.

Si

obligations in the fields of labour law

Has the economic operator, to its knowledge, breached its obligations in the field of labour law? As referred to for the purposes of this procurement in national law, in the relevant notice or the procurement documents or in Article 18(2) of Directive 2004/18/EU

Has the economic operator breached the obligations relating to labor law as defined in national and European law, collective agreements or international provisions listed in Annex X of the Legislative Decree no. 50/2016? (The economic operator does not have to declare the breached if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 is ended).

Si

Bankruptcy

Is the economic operator bankrupt? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Is the economic operator bankrupt or is a bankruptcy proceeding pending?

Si

Insolvency

Is the economic operator the subject of insolvency or winding-up? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Is the economic operator the subject of winding-up or is a compulsory winding up procedure pending?

Si

Arrangement with creditors

Is the economic operator in arrangement with creditors? This information needs not be given if exclusion of economic operators in this case has been made mandatory under the applicable national law without any possibility of derogation where the economic operator is nevertheless able to perform the contract.

Is the economic operator in arrangement with creditors or is an admission to creditors pending?

Si

Guilty of grave professional misconduct

Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Is the economic operator guilty of serious professional misconduct? The economic operator does not have to declare the breach if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 is ended.

Si

Agreements with other economic operators aimed at distorting competition

Has the economic operator entered into agreements with other economic operators aimed at distorting competition?

Has the economic operator received an antitrust provision by the competent national authority establishing that he has entered into agreements with other economic operators aimed at distorting competition? The economic operator does not have to declare the breach if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 has ended.

Si

Conflict of interest due to its participation in the procurement procedure

Is the economic operator aware of any conflict of interest as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure?

Is the economic operator aware of any conflict of interest for taking part in the tender procedure, according to Article 42, paragraph 2 of Legislative Decree no. 50/2016?

Si

Direct or indirect involvement in the preparation of this procurement procedure

Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure?

Si

Early termination, damages or other comparable sanctions

Has the economic operator experienced that a prior public contract, a prior contract with a contracting entity or a prior concession contract was terminated early, or that damages or other comparable sanctions were imposed in connection with that prior contract?

Has the economic operator shown significant or persistent deficiencies in the performance of a prior public contract or a prior concession contract which led to early termination of that prior contract, to damages or to other comparable sanctions? The economic operator does not have to declare the breach if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 has ended.

Si

Guilty of misinterpretation, withheld information, unable to provide required documents and obtained confidential information of this procedure

Can the economic operator confirm that it has not been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, it has not withheld such information, it has been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and it has not undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Has the economic operator attempted to unduly influence the decision making process of the contracting authority or to obtain confidential information that may confer upon it undue advantages in the procurement procedure, has it negligently provided false or misleading information that may have a material influence on decisions concerning exclusion, selection or award, has it withheld information need to a sound procurement procedure? The economic operator does not have to declare the breached if the exclusion period provided for by Article 80, paragraph 10-bis of Legislative Decree no. 50/2016 has expired.

Si

D: Reasons for exclusion provided exclusively by national legislation

Purely national exclusion grounds

Do the purely national grounds of exclusion, which are specified in the relevant notice or in the procurement documents, apply?

Has the economic operator breached its obligations relating to the purely national grounds of exclusion, which are specified in the relevant notice or in the procurement documents?

Si

A: Eligibility

Enrolment in a relevant professional register

It is enrolled in relevant professional registers kept in the Member State of its establishment as described in Annex XI of Directive 2014/24/EU; economic operators from certain Member States may have to comply with other requirements set out in that Annex.

Is the economic operator enrolled in relevant professional registers kept in the Member State of its establishment as described in Annex XVI of the Legislative Decree no. 50/2016?

No

Enrolment in a trade register

It is enrolled in trade registers kept in the Member State of its establishment as described in Annex XI of Directive 2014/24/EU; economic operators from certain Member States may have to comply with other requirements set out in that Annex.

Is the economic operator enrolled in trade registers kept in the Member State of its establishment as described in Annex XVI of the Legislative Decree no. 50/2016?

No

For service contracts: authorisation of particular organisation needed

Is a particular authorisation of a particular organisation needed in order to be able to perform the service in question in the country of establishment of the economic operator?

With reference to art. 83, paragraph 3, of the Code, the economic operator must be in possession of a particular authorization to be able to provide the service in his country of origin?

No

For service contracts: membership of particular organisation needed

Is a particular membership of a particular organisation needed in order to be able to perform the service in question in the country of establishment of the economic operator?

No

B: Economic and financial capacity

General yearly turnover

Its general yearly turnover for the number of financial years required in the relevant notice, the in the ESPD, the relevant notice or the ESPD is as follows:

The economic operator declares the overall annual turnover for the number of years required in the notice, in the tender or in the tender documents.

No

Average yearly turnover

Its average yearly turnover for the number of years required in the relevant notice, the procurement documents or the ESPD is as follows:

No

Specific average turnover

Its specific average yearly turnover in the business area covered by the contract for the number of years required in the relevant notice, the procurement documents or the ESPD is as follows:

No

Specific yearly turnover

Its specific yearly turnover in the business area covered by the contract for the number of financial years required in the relevant notice, the procurement documents or the ESPD is as follows:

No

Set up of economic operator

In case the information concerning turnover (general or specific) is not available for the entire period required, please state the date on which the economic operator was set up or started trading:

Start-up period

No

Professional risk indemnity insurance

The insured amount in its professional risk indemnity insurance is the following:

No

Other economic or financial requirements

Concerning the other economic or financial requirements, if any, that may have been specified in the relevant notice or the procurement documents, the economic operator declares that:

No

For public works contracts only: the economic operator declares the works of the type specified in the notice, tender or tender documents, which he carried out during the required reference period

No

For supply contracts: performance of deliveries of the specified type

For public supply contracts only: During the reference period, the economic operator has delivered the following principal deliveries of the type specified. Contracting authorities may require up to three years and allow experience dating from more than three years.

For public supply contracts only: during the reference period, the economic operator delivered the supplies as specified in the relevant notice or in the procurement documents referred to in the notice

No

For service contracts: performance of services of the specified type

For public service contracts only: During the reference period, the economic operator has provided the

following main services of the type specified. Contracting authorities may require up to three years and allow experience dating from more than three years.

For public service contracts only: during the reference period, the economic operator provide the services as specified in the relevant notice or in the procurement documents referred to in the notice

No

Technicians or technical bodies for quality control

It can call upon the following technicians or technical bodies, especially those responsible for quality control. For technicians or technical bodies not belonging directly to the economic operator's undertaking but on whose capacities the economic operator relies as set out under Part II, Section C, separate ESPD forms must be filled in.

No

For works contracts: technicians or technical bodies to carry out the work

In the case of public works contracts, the economic operator will be able to call on the following technicians or technical bodies to carry out the work:

No

Technical facilities and measures for ensuring quality

It uses the following technical facilities and measures for ensuring quality and its study and research facilities are as follows:

No

Study and research facilities

It uses the following study and research facilities are as follows:

No

Supply chain management

It will be able to apply the following supply chain management and tracking systems when performing the contract:

No

Environmental management measures

The economic operator will be able to apply the following environmental management measures when performing the contract:

No

Tools, plant or technical equipment

The following tools, plant or technical equipment will be available to it for performing the contract:

With reference to Annex XVII, part II, letters i of the Code, for the execution of the contract, the economic operator will have the following equipment, materials and technical equipment available

No

Educational and professional qualifications

The following educational and professional qualifications are held by the service provider or the contractor itself, and/or (depending on the requirements set out in the relevant notice or the procurement documents by its managerial staff.

No

Allowance of checks

For complex products or services to be supplied or, exceptionally, for products or services which are required for a special purpose: The economic operator will allow checks to be conducted on the production capacities or the technical capacity of the economic operator and, where necessary, on the means of study and research which are available to it and on the quality control measures? The check is to be performed by the contracting authority or, in case the latter consents to this, on its behalf by a competent official body of the country in which the supplier or service provider is established.

No

Number of managerial staff

The economic operator's number of managerial staff for the last three years were as follows:

No

Average annual manpower

The economic operator's average annual manpower for the last three years were as follows:

No

For supply contracts: samples, descriptions or photographs without certification of authenticity

For public supply contracts: The economic operator will supply the required samples, descriptions or photographs of the products to be supplied, which do not need to be accompanied by certifications of authenticity.

No

For supply contracts: samples, descriptions or photographs with certification of authenticity

For public supply contracts: The economic operator will supply the required samples, descriptions or photographs of the products to be supplied, which do not need to be accompanied by certifications of authenticity.

No

For supply contracts: certificates by quality control institutes

Can the economic operator provide the required certificates drawn up by official quality control institutes or agencies of recognised competence attesting the conformity of products clearly identified by references to the technical specifications or standards, which are set out in the relevant notice or the procurement documents?

No

D: Quality assurance systems and environmental management standards

Certificates by independent bodies about quality assurance standards

Will the economic operator be able to produce certificates drawn up by independent bodies attesting that the economic operator complies with the required quality assurance standards, including accessibility for disabled persons?

No

Certificates by independent bodies about environmental management systems or standards

Will the economic operator be able to produce certificates drawn up by independent bodies attesting that the economic operator complies with the required environmental management systems or standards?

No

Part VI: Final statements

The economic operator formally declares that the information stated under Parts II - V above is accurate and correct and that it has been set out in full awareness of the consequences of serious misrepresentation. The economic operator formally declares to be able, upon request and without delay, to provide the certificates and other forms of documentary evidence referred to, except where: a) The contracting authority or contracting entity has the possibility of obtaining the supporting documentation concerned directly by accessing a national database in any Member State that is available free of charge (on condition that the economic operator has provided the necessary information (web address, issuing authority or body, precise reference of the documentation) allowing the contracting authority or contracting entity to do so. Where required, this must be accompanied by the relevant consent to such access), or b) As of 18 October 2018 at the latest (depending on the national implementation of the second subparagraph of Article 59(5) of Directive 2014/24/EU), the contracting authority or contracting entity already possesses the documentation concerned. The economic operator formally consents to the contracting authority or contracting entity as set out in Part I, gaining access to documents supporting the information, which has been provided in Part III and Part IV of this European Single Procurement Document for the purposes of the procurement procedure as set out in Part I.
