PNRR Missione 4 - Istruzione e ricerca, Componente 2: Dalla Ricerca all'Impresa Investimento 1.4 - Avviso n. 3138 del 16-12-2021, finanziato dall'Unione Europea – NextGenerationEU NBFC - National Biodiversity Future Center - CN_00000033

DECISION

(U-GOV Order Ref. No. 483 of 10/07/2025)

Tender Identification Code B794EFB315

Single Project Code C93C22002810006

Tender for the supply/service of Acquisto ricevitori acustici e upgrade ricevitori - PNRR SP2- Mazzoldi Project financed by the European Union - NextGenerationEU NRRP S4 C through electronic marketplaces, pursuant to Article 50(1)(b) of Legislative Decree No. 36/2023.

Having regard to Article 17(1) and (2) of Legislative Decree No. 36/2023, which provides that the contracting authority, in the case of direct awarding with a specific act, adopts the decision to enter into a contract by identifying the essential elements of the contract, and speci fically the object, the amount and the contractor, together with the reasons for its choice, the general requirements and, if necessary, those regarding economic-financial and technical-

Having considered the subject matter of this tender, the supplier selected, as well as the requirement of necessary and bindi ng service for the continuation of .....
Having verified that the requested good/service is not among the product categories included in the active CONSIP Agreements/Framework agreements/Sdapa (Dynamic Purchasing System of the Public Administration);
Having considered that the successful bidder for this contract was the economic operator **Innovasea Marine Systems Canada Inc.** (Tax Code ..... and VAT No .....), with registered office in Angus Morton Drive 20, 99999 CANADA (EE) CANADA;
Having verified compliance with Article 48 of Legislative Decree No. 36/2023 and the principles referred to therein as well as the principle of rotation referred to in Article 49 of Legislative Decree No. 36/2023;
Having regard to the fact that the purchase of the good/service was made in accordance with Article 25 of Legislative Decree No. 36/2023, which provides that
"Contracting authorities and granting entities shall use digital procurement platforms to carry out the procedures for the award and performance of public contracts" and in compliance with the principle of full digitalisation of the entire life cycle of public contracts referred to in Article 21 of Legislative Decree No 36/2023;
Having acknowledged that the supplier fulfils the requirements of Articles 94 and 95 of Legislative Decree No. 36/2023 and the related technical and professional requirements;
Having regard to he financial bid submitted by the selected operator, amounting to EUR 8.590,00 including charges for workers' safety and labour costs, if any, and VAT in accordance with the law;
Having considered that the financial bid satisfies the principle of cost-effectiveness, since it presents the best "quality -price" ratio in relation to the purchasing needs of this Contracting Authority, and that an analysis of the reference market has found it to be adequate;

Having taken into account that the tender procedure is financed in part/totally, with the resources provided by the NRRP - NextGenerationEU;

Having considered the operator's statements regarding the requirements of Article 47 of Decree Law No. 77/2021 converted into Law No. 108/2021;

Having regard to Article 47(7) of Decree Law No. 77/2021 converted by Law No. 108/2021;

Having regard to the Decree of 7 December 2021 of the Prime Minister's Office, Department for Equal Opportunities;

Having considered that this award is in compliance with the provisions of DNSH Circular No. 32 of 30 December 2021, from the State General Accounting Department, entitled «National Recovery and Resilience Plan – Operational Guidance for Compliance with the Principle of Do No Significant Harm to the Environment», which requires the Administration in charge of the measure to demonstrate whether the measure has actually been implemented without causing significant harm to environmental objectives;

Having taken into account that legal checks on the operator were found to be regular;

Having acknowledged that the conclusion of the contract is carried out in accordance with the rules of the national digital ecosystem and that the ess ential contractual clauses are those agreed upon between the parties, as well as in the remaining relevant regulations;

Having acknowledged that, pursuant to and for the purposes of Article 58(1) and (2) of Legislative Decree No. 36/2023 this initiative is not divided into functional lots, as it is a service/supply to be provided by a single supplier;
